

**Irene M. Dimitry**

Vice President, Business Planning & Development  
DTE Energy

Irene M. Dimitry is vice president, Business Planning & Development for DTE Energy (NYSE: DTE), a Detroit-based diversified energy company involved in the development and management of energy-related businesses and services nationwide. In this role, Irene has responsibility for business planning and generation strategy for DTE Electric, which serves SE Michigan and is one of the country's largest electric utilities. In addition, she has responsibility for several operating groups, including renewable energy, energy efficiency, economic forecasting, and customer choice operations.

Irene has worked at DTE Energy since 1994, progressing in leadership assignments in areas such as Marketing, Business Planning, Customer Service, Electric Operations, and Corporate Strategy.

Irene is a board member for the SE Michigan Region of the American Red Cross as well as for Michigan Saves, a non-profit organization focused on energy efficiency. She is on the advisory board for the University of Michigan-Dearborn Business School. In 2009, Crain's Detroit business magazine recognized Irene as a "Woman to Watch" in the Detroit metropolitan area. She has an undergraduate degree in Business from Wayne State University in Detroit, and an MBA from the University of Michigan, Ann Arbor.
