

Alex Morese is the Manager of the Energy Security section of the Michigan Agency for Energy. Prior to the formation of MAE in 2015, Alex was with the Michigan Public Service Commission (MPSC) for 12 years. Alex serves as the Energy Assurance Coordinator for the State and is responsible for maintaining and implementing energy emergency plans, such as the Michigan Energy Assurance Plan and the Michigan Petroleum Shortage Response Plan. He is a member of the Staff Subcommittee on Critical Infrastructure for NARUC, and co-leads a team of staff at MAE/MPSC who concentrate on cybersecurity issues. Alex also serves as the lead editor for the Michigan Energy Appraisal, a semiannual assessment of Michigan's energy markets. Alex previously worked in the Renewable Energy section of the MPSC where he reviewed renewable energy plans and assisted with the implementation of PA 295 of 2008. Alex has a Bachelor's in Economics and International Affairs from Florida State University.
