

**Julia Eagles, Public Policy and Strategy Manager  
Xcel Energy**

Julia Eagles is a Public Policy and Strategy Manager at Xcel Energy. In this capacity, she works on tracking national trends around evolving utility business models, coordinating company regulatory strategies, and preparing comments on state and federal energy policy. Before joining Xcel Energy, Eagles spent eight years working for local energy and environmental organizations. She holds a Master of Public Policy from the Humphrey School of Public Affairs at the University of Minnesota and a bachelor's degree in environmental studies from Macalester College. In her free time, she enjoys biking, cross-country skiing, taking trips to beautiful locations, and growing and eating good food.
