

Kent Singer is the Executive Director of the Colorado Rural Electric Association.

CREA is a statewide trade association that provides government relations, safety training, education, and communications services to all of Colorado's electric cooperatives.

Prior to becoming CREA's Executive Director, Kent was the association's general counsel. Kent has also served as corporate counsel for Tri-State Generation & Transmission Association and general counsel for Holy Cross Energy.

Kent began his legal career as a staff attorney for the Colorado legislature. He holds a bachelor's degree in political science from Kansas State University and a law degree from the University of Kansas.
